[Legal Notice No. 55]

**MINES AND MINERALS ACT
(Cap. 42)**

MINES AND MINERALS (AMENDMENT) REGULATIONS 2011

IN exercise of the powers conferred upon me by section 80 of the Mines and Minerals Act (Cap. 42), I make these Regulations –

Citation and commencement **1.** These Regulations may be cited as the Mines and Minerals (Amendment) Regulations 2011 and commence on the date of publication in the *Gazette*.

New Part added **2.** The Mines and Minerals Regulations 1996 (I/N. 106/96) (“principal Regulations”) is amended by adding the following new Part –

PART XX EXPORTATION OF MINERALS

Definition 69. In this Part –

“application” means an application made under regulation 71 for an export permit;

“consignment permit” means a consignment permit issued to a mining company under regulation 73;

“export and consignment permit” means an export and consignment permit issued to a person other than a mining company under regulation 73;

“export permit” means an export permit issued under regulation 70.

Power to issue export permit **70.** (1) The Minister, acting on the advice of the Board, has the power to issue an export permit to a mining company, in Form No. 18A with or without conditions and subjects to the payment of the export permit fee set out in the Schedule.

(2) The power to issue an export permit includes the power to refuse, vary, suspend or cancel the permit or to vary, suspend revoked conditions or to impose new conditions.

(3) Subject to regulation 73, the export permit authorises the holder to export mineral commodity within the period of the permit.

(4) The Board must assess the application and provide its advice to the Minister on whether or not the application should be granted.

(5) The Board may require the applicant to provide further information within thirty days before it may re-consider the application, otherwise the application lapses at the expiration of the thirty days.

(6) When the Board completes its assessment of the application, the Director shall notify the Minister on the advice of the Board for the purposes of subregulation (1).

(7) The Director shall inform the applicant of the decision of the Minister and, subject to payment of the export permit fee, he may send the export permit to the licensee.

(8) The export permit may be issued for up to 3 years and shall not be transferred or assigned to another person except that a gold dealer may be issued an export permit for a period of up to 12 months.

(9) The requirement of an export permit does not apply if the mining lease authorizes the permit.

71. (1) Any mining company desiring to export mineral commodity may apply in Form No.18 and accompanied by the prescribed application fee to the Director for an export permit. Application for export permit

(2) The Director shall refer the application to the Board.

(3) The Director may, if the application does not contain all the necessary information, require the applicant to submit further documents before he refers the application to the Board.

72. (1) The Minister may, on advice of the Board, suspend or cancel the export permit if the permit holder breaches any condition of the export permit or a provision of the Act or its Regulations. Suspension and cancellation

(2) The Board may, when giving advice to the Minister under subregulation (1), give an opportunity to the permit holder to respond as to why the permit should not be suspended or cancelled.

(3) The Director must forward the advice of the Board to the Minister and inform the permit holder of the decision of the Minister.

(4) When an export permit is suspended or cancelled, the consignment permit is also suspended or cancelled.

Application for
export and
consignment
permit

73. (1) The Director may, with or without condition, grant the following permit to export minerals –

- (a) a consignment permit in Form No. 19A to a mining company pursuant to its export permit issued under regulation 70;
- (b) an export and consignment permit in Form No. 20A to a person other than a mining company.

(2) Any mining company intending to export a consignment of mineral commodity under its export permit may in Form No. 19 apply to the Director for a consignment permit.

(3) Any person other than a mining company may apply in Form No.20 to the Director for an export and consignment permit authorising the person to export the mineral commodity.

(4) Before the mineral commodity is exported, the Director shall –

- (a) inspect, check and verify all information in relation to the exportation of the mineral commodity;
- (b) verify and confirm payment of any tax in relation to exportation of the mineral commodity;
- (c) approve in writing the consignment of mineral commodity to be exported; and
- (d) ensure that all Customs shipment clearance for exportation of the mineral commodity has been completed to his satisfaction.”.

First and
Second
Schedules
amended

3. (1) The First Schedule to the principal Regulations is amended by adding the following forms set out in Part 1 of the Schedule to these Regulations.

(2) The Second Schedule to the principal Regulations is amended by inserting a new part 11 as set out in Part 2 of the Schedule to these Regulations.
