

# **UNPLANNED OUTAGE NOTICE**

## **HONIARA**

Date issued: Wednesday 22nd November 2023

Dear valued customers,

There is currently an unplanned outage due to a fault to our 33KVA underground cable caused by road construction that is affecting all of Honiara City.

Solomon Power is now working on this fault and power will be restored as soon as the fault is fixed.

Please treat all lines as live at all times as power maybe restored without warning. Solomon Power apologises for the inconvenience caused and thanks you for your understanding and patience.

An update will be provided later.
