

PUBLIC NOTICE

ROAD CLOSURE FOR EXCAVATION WORKS

Solomon Water would like to advise the public that excavation works will take place on the eastbound carriageway along Kukum Highway from the Telekom/Ranadi roundabout to the Solo Gas Refill Station and road closures will be in place starting on Monday 11 December 2023.

The excavation works will take place over a period of four (4) months.

The road closures are necessary to allow Solomon Water contractors to continue works on its main sewer line along the main road for the *Sewer Works - Fisheries to Telekom Roundabout Project*.

Steps will be taken to ensure that employees and members of the public are not at risk of harm as a result of the works.

If you have any questions or concerns about the project, please do not hesitate to contact the Solomon Water Project Management Unit (PMU) on phone 44700.

We thank you in advance for your cooperation and patience while we conduct these works.
