As we celebrate this Easter, let us all take time to remember the sacrifices that our risen Lord Jesus Christ has taken by laying down His life for us.

This Easter also signifies that Christ has defeated death and gives hope for salvation for all human kind. Let us in the same manner, make commitment, sacrifices and give hope through our service to our families, communities, organizations, country and region with sincerity and allow ourselves to make a difference for each other as the Lord has demonstrated through His good deeds.

Easter gives us hope for salvation and new beginnings.

The Ministry wishes each and every individual of our beloved Country a Happy Easter and God's Continuous Blessing in 2024.
