The Ministry of Home Affairs extends heartfelt Easter greetings to all, celebrating the essence of faith, love, and resurrection.

Easter - a celebration of new life and everlasting hope through the resurrection of our Lord. As the Gospel of John, chapter 11, verse 25 reminds us, 'Jesus said to her, "I am the resurrection and the life. The one who believes in me will live, even though they die."'

Let us carry this message of faith and redemption in our hearts, embracing the promise of a brighter tomorrow.

God Bless Solomon Islands.
